Presidents Message

It is hard to believe that another year has flown by for the Albany GSCPA chapter. With the new year comes a new slate of officers, which are listed below. We are all honored and excited about serving our chapter for the 2010 year. We will be meeting soon to schedule the meetings and brainstorm ideas for the coming year. If you have any ideas on meeting programs or events for our chapter, please e-mail or call me. Also, do the same if you have any news you would like for me to put in the newsletter.

We will resume meetings in September after everyone has had time for some summer vacation. I look forward to serving as president of the chapter and hope you have a great summer.

Chapter News

Our chapter will have several new CPA's in the coming year. Join me in congratulating Valerie Bowron (D&T), Shae Foy (D&T), Stephen Harrell (D&T), Shelli Sirmans (D&T), and Emily Dent (M&J) on this great accomplishment. We all know the hard work and time that has to go into preparing for this test. I think if I was to ever lose my certification I would be looking for another line of work!

Congratulations to our vice-president, Christy Tinsley, on the birth of a future CPA, a healthy little boy! Word is she is already training him on the ten key.

Chapter Officers

President – Sean Hendley
Vice-president – Christy Tinsley
Secretary – Wes Sternenberg
Treasurer – Adam Hutchins

Other

Quote of the Day:

"I recently heard that accounting was named one of the new sexy professions. I have been called a lot of things in my life, but sexy is not one of them." Anonymous Albany CPA.
