Presidents Message

It is time to kick off our meetings for the year. We will start light with a social meeting at Harvest Moon. This will give everyone a chance to get reacquainted and chat. The chapter will provide drinks, appetizers and pizza. Please swing by if you get a chance or just walk over if you work at Mauldin Jenkins. If you need directions, please feel free to contact any of the officers listed below.

We are trying to have more interesting speakers this year. They do not necessarily have to be accounting related. If you have any ideas please let us know. These are your meetings; we are just in charge of setting them up.

Lastly, I would like to thank my fellow officers who have signed up for this year (and the next several years). I know we are all extremely busy, and I really appreciate them giving of their time and talents. If you are interested in being an officer next year, please let me know. It is not too early to start thinking about a replacement for the Treasurer position.

I look forward to seeing you at Harvest Moon. Have a great August and September and be safe on the road.

Sean Hendley
