President's Message

Dear Members,

Welcome to a new year for the Albany Chapter of the GSCPA. Our first meeting will be on September 13. Paula Mooney, president of the GSCPA Board of Directors, will be our guest speaker and will be the first of several great programs this year. We will have meetings in September, October, November, January, April, and May. Increased attendance and participation is one of our goals this year. Please come join us in networking with others in the profession and enjoying good food and programs.

Giving scholarships to college students entering our profession is one of the more important functions of our Chapter. We would like to award these scholarships to students from Southwest Georgia who will come back to work in Southwest Georgia. Please give some thought to this and let any of the Chapter Officers know if you have a candidate for these awards.

The officers for the current year are as follows:

President: [Ryan Inlow](#), Mauldin & Jenkins, LLC
Vice-President: [Heath Fountain](#), Heritage Financial Group
Secretary: [Sean Hendley](#), Draffin & Tucker LLP
Treasurer: [Christy Tinsley](#), Mauldin & Jenkins, LLC

Hope to see everyone at the meeting.

Ryan Inlow
