President's Message

This month we have the opportunity to hear from liaisons from the Internal Revenue Service. I know that all of us deal with tax notices and other situations probably on a daily basis. I am looking forward to what Kathy and Tammy will have to say to us regarding the IRS Update. Bring any questions you can think of because chances are that someone else may have the same question but will hesitate to ask.

Also, please be in thought about any ideas for roundtable discussions that you may have. If you can think of a topic that would be beneficial and interesting to the group or if you are interested in being a panelist, please let Chris Etterlee know. The discussion time is always great because we can discuss real problems that we have encountered and get input from others regarding the resolution. Take advantage of the wealth of knowledge that is gathered in our meeting room each month!

Looking towards the fall, we will be distributing scholarship packets to the accounting departments once the fall semester starts. If you know an accounting student at ASU or Paine College please encourage them to fill out an application. The student luncheon is scheduled for the November meeting this year.

If you have any dietary requests for the luncheon, please let Sharon know when you call in or [email](#) your reservation. We will do our best to accommodate those needs.

Sincerely,

Amy Horne
