President's Message

Dear Members:

For those of you that were with us to hear the GSCPA Update from our new president, Paula Mooney, you know that there is so much going on in the Society on our behalf. I encourage you to drop Paula a personal note to let her know that we're excited about her leadership over the next year.

I am sure that with summer in full swing there will be a lot of us taking vacations and spending more time with our families. However, if you're in town, we invite you to join us for the hour of CPE and great food and fellowship that happens every month. Just on a side note, I have heard several people mention different dishes that we have had at our meetings in the past and wish that we could have them again. If there's something that you remember having and would like to see it again, please feel free to let one of the officers know. I know the chicken does get somewhat repetitive. I think our caterer would be open to suggestions for variations in the menu as long as we give him advance notice to purchase the items for the meal.

Please remember that this is a reporting year for CPE. Don't wait until the last minute; as classes towards the end of the year are usually very full! Take advantage of the classes that are offered in Augusta, as it saves you the time and money of having to travel.

If you have any dietary requests for the luncheon, please let Sharon know when you call in or [email](#) your reservation. We will do our best to accommodate those needs.

Sincerely,

Amy Horne
