Dear Fellow Buckhead Chapter Members,

Greetings!

Notice: There will not be a June Buckhead Chapter meeting!

As you know, we have been in preliminary discussions with the Atlanta Chapter of the Georgia Society of CPAs to combine our resources and leadership talent to provide our respective members with enhanced professional connectivity and educational opportunities. To that end, we will not hold Buckhead Chapter meetings beginning this month.

Alternatively, we would like to invite you to attend the [Atlanta Chapter meeting](#) which will be held on June 17, 2008 at the Renaissance Hotel. The meeting begins at 11:30 a.m. and the speaker is Jason Hoffman of Guidestar Consulting. Jason will be addressing the topic:

"The Real Issues Behind Your Biggest Business Aggravations: How to Find and Correct Them"

As we explore the benefits of a combination of resources and membership talent with the Atlanta Chapter, we welcome your input. We are very close to selecting a more central location for our joint meetings. Most likely, this new venue will be available for our first "official" joint meeting to be held in September 2008. We are excited about the possibilities our combination might offer. Feel free to provide us with your input throughout the Summer.

Warm regards,
Geoffrey M. Rhines, President
