President's Message

During the month of July, we were honored to have Mr. David Burch of Lighthouse Financial Advisors and his colleagues as our guests. The topic discussed was long term care insurance. Mr. Burch offered timely advice and real life experiences during his presentation.

The officers appreciate the attendance of the members. We hope that by the end of the year the attendance level will increase. Please encourage your fellow CPAs to support the CPE luncheons and outings that are organized to benefit each one of you.

Again, thank you for your commitment and dedication to the Coastal Georgia Chapter.

Sincerely,

Penny H. Lumpkin, CPA
President
