## President's Message

Hello, Members.

I hope you all had a fantastic Labor Day Weekend. First, I would like to say thank you for your attendance on Friday, August 24. On that day we were fortunate to have Mr. Lance Turpin of BB&T present information regarding derivative products. As a member of the Glynn County Board of Education, Mr. Turpin also addressed questions regarding our local school system.

The officers appreciate the attendance of the members. We hope that by the end of the year the attendance level will increase. Please encourage your fellow CPAs to support the CPE luncheons and outings that are organized to benefit each one of you.

Again, thank you for your commitment and dedication to the Coastal Georgia Chapter.

Sincerely,

Penny H. Lumpkin, CPA  
President
