President's Message

Dear Members,

Well, we've reached the end of another chapter year and it's good to be done with another tax season! I want to thank all of you for allowing me to serve as your chapter's President this past year. We have had a successful year with steady attendance at all of our meetings, as we tried to provide a meaningful mix of meeting topics with the focus on both local happenings, as well as educational topics that center on areas in our profession. We had a successful Student Night, as well as a renewal of Bankers' Night. In addition we had a great response to our holiday food drive in December; an event that I hope will only grow.

Our next meeting will be Wednesday, May 21 at the Country Club of Columbus. Please make plans to attend as we will welcome Debbie Rodkin with Bedford Capital Consulting as she will discuss the benefits of Cost Segregation. In addition, we will reward two very deserving students the annual GSCPA - Columbus Chapter college scholarships. Lastly, we will draw this year's winner of a grand prize for perfect attendance at all of our chapter meetings. As you can tell, this meeting will be educational and rewarding in more ways than one.

I would encourage all of you, who can, to please plan to attend this year's annual GSCPA Annual Convention, as this year's location is in nearby Sandestin Beach and Golf Resort in Destin, Florida. See the [GSCPA web site](#) for details. Again, thank you for your support and see you on May 21st!

Chris A. Miller
President

Chapter Meeting
