President's Message

I want to thank you, the members of the Columbus Chapter, for the opportunity to serve as president for the 2007-2008 fiscal year. Our Board has met and after much discussion we have come up with a meeting schedule that will not only be diverse, but rewarding. You will note the diversity in that not only will we have community awareness speakers, but technical speakers as well. You will find our 2007-2008 meeting schedule at the end of the newsletter.

The November and January meetings will be at night (times TBA) and all other meetings will begin at 11:45 a.m. In addition, we will be asking members to bring canned goods to our December meeting for purposes of donating food to an area shelter. While this gesture is rewarding in and of itself, there is another rewarding component of our meetings which will be announced at the May 21, 2008 meeting where all members who are present at all chapter meetings will be eligible for a nice prize. Please be active in our chapter this year and make plans now to attend our monthly meetings. The board members look forward to serving this year and welcome any comments/suggestions on making our chapter better. I look forward to seeing you on September 19.

Chris A. Miller, President
