President's Message

Welcome back! I hope that each of you had a great summer.

I'd like to thank each member of the Columbus Chapter for the opportunity to serve as your president during the upcoming year. I, along with the rest of the board, am looking forward to another great year. This year, we'd like to continue the format we began last year and strive to include community related topics, as well as technical issues, in our meetings. Please take a moment to review the meeting schedule listed below, and take notice that our November and December meetings will be night time meetings. We've included our annual Student Night at the Cunningham Center, as well as the return of the hockey event for Bankers' Night.

So mark your calendars so you don't miss any of our events. Our board is eager to hear any comments/suggestions you may have as well. I look forward to seeing you on September 17.

Brad Clements
Columbus Chapter President
