President's Message

The December 15 CPE seminar was a success. We had forty attendees, and Jim Martin gave an excellent A&A update. Callaway Dorsey planned and coordinated the seminar, and everything went smoothly. We appreciate everyone who attended, and volunteered to help with the set up, serving and clean up. Every DeKalb Chapter member played a part in making the event a success and no one was overburdened. Thank you for your participation.

The January 22 meeting is going to be one of the best. Our own Houston Smith will be sharing about the most unusual estate that he has handled. This is a unique opportunity to get some valuable insight into a complex practice area. Houston is very generous and kind for his willingness to do this for us.

We will also be presenting the annual Gladney award at the January meeting. This award goes to the member who has gone beyond the requirements of his or her duties or expectations. This is a very special time when we honor one of our fellow members.

We will also have a nominating committee report at the January meeting, so please come and be with your friends and colleagues at the DeKalb Chapter. The DeKalb Chapter is a place of support and encouragement for all our members. Our goal is to provide opportunities for your success. Therefore, your attendance is important.

Jim Warren
