President's Message

I hope everyone had a healthy and happy holiday season. Now we will be gearing up for the beginning of 2009. The upcoming filing season and economic situation will prove to be challenging for our members and clients. The one thing that can be expected will be change.

The January 27, 2009 meeting will be on the new quality control and peer review standards that will be presented by Chris Rouse. This will help the membership prepare for their review.

Louis D. Olin
President of the Dekalb Chapter
