President's Message

I'd like to thank everyone who showed up for the meetings in July and August at the North Perimeter Chapter. We'll be back at our usual location this month. I would also like to thank the North Perimeter Chapter and Larry Cohen for letting us join them.

This month's topic is on Risk Management (Insurance) for both CPA's and their clients. The first hour will be presented by Patrick Bell of Pritchard & Jerden. Mr. Bell will be discussing various insurance products available through the Georgia Society of CPAs for its members.

The second hour will be presented by Mr. Frank Humphreys of Hamby & Aloisio, Inc. Mr. Humphreys has a wide variety of experience in the insurance industry and will help bring some insight to us that we should be able to use to help our clients.

I hope to see you at the September 23, 2008 meeting for this exceptional program.

Callaway Dorsey, Vice President
