President's Message

A new year is quickly approaching, and I hope you all have a happy holiday season. Our January meeting will be in Athens on January 15 at the Continuing Education Center. Marc Azar, of Smith and Howard, will be giving us an update on the new Form 990. There have been many changes to the form that you will want to learn about.

We will also present and vote on the new officers for next year.

See you Athens.
