President's Message

Thanks to all that attended our August meeting. Scott Collins did a great job filling us in on Disability and Long Term Care Insurance. For me at least, it proved very timely as I got a call a few days later from a client asking about long term care insurance.

Our September meeting will be held in Athens at the Continuing Education Center. We will be given an economic update by the Federal Reserve. With all that is going on - presidential election, continued war in Iraq, gas prices, droughts, floods etc., the economy is in quite a state. Some insight into the Federal Reserve's position and outlook should prove interesting.

Please RSVP and try and encourage other members you know to come. We have a very large chapter and would love to see as many of our members there as possible.

More door prizes will be given away!

I look forward to seeing you on the 18th.

Lee Ellen Fields
