President's Message

It was a great treat to have the president of Georgia Perimeter College, Dr. Anthony Tricoli, in attendance at our July meeting. Not only did Dr. Tricoli address the chapter and the students in attendance, but he was also there for the presentation of scholarships to this year's recipients.

For those of you in attendance, it is clear that these students are extremely appreciative and deserving. The Chapter's contribution to the future of our profession is time and money well spent.

A special thanks to Ellen Sweatt for her continued hard work and support of these students.
