

Tax Credits for Georgia Businesses Seminar

overview

The State of Georgia offers many tax credits to businesses. These credits are sometimes overlooked or not fully understood by many tax preparers. This one hour CPE seminar will provide a high level overview of the tax credits as well as recent legislation. Information presented will assist attendees in identifying potential tax credits and provide resources for further analysis.

learning objectives

The attendee will be able to:

- Identify the Georgia tax credits utilized by businesses in Georgia.
- Understand what is required to qualify for and obtain the tax credits
- Analyze Georgia tax credit opportunities that relate to business growth and expansion

agenda

- Overview
- Retraining Tax Credit
- Job Tax Credit
- Investment Tax Credit
- Research Tax Credit
- Examples of actual companies that have utilized the tax credits
- New tax credit items for 2008
