## President's Message

The Board recently met to approve the 2007 - 2008 budget and to review our bylaws. The Board worked exceptionally hard, and it was a fantastic meeting. Thanks to all the members for their participation and enthusiasm.

Both were approved, and the bylaws have been forwarded to the State Society Board of Directors for their approval. Pending their approval, the bylaws will be sent to all Chapter members for review and will be voted on at our August meeting. If you have any questions regarding the budget or bylaws, please do not hesitate to let Larry Cohen or me know.

I, along with several chapter members, just returned from the GSCPA Annual Convention at the Westin Our Lucaya, Grand Bahamas. We had magnificent weather, and it was an incredible opportunity to network with other CPAs and other chapter representatives. We attended the annual meeting where we were presented with and approved the Society's budget and new slate of officers for the 2007 - 2008 year. Thanks to Bill Schneider for a great year as President, and we look forward to seeing Paula Mooney in action.
