President's Message

Things do not always work out the way you want them to, so sometimes you just have to back up and change the game plan. The perfect storm of economic meltdown and the elections made it nearly impossible to get a speaker for professional night, so we have rescheduled our annual get together for the first of the year and we will be meeting again this month at Amici's.

We do have a speaker for the regular November meeting. Chris Simuro, CFO of Cohutta Bank will be speaking on "Economic Developments that affect your Client's Banking Activity". He has some real insights into the new banking culture our clients will be facing in the near future. We look forward to seeing you there.

Michael Gardner
2008-2009 Chapter President
