

Surgent McCoy's 2011 Essential CPE Collection

NEW! 59 Courses for Only \$1 Per Credit!

There is no better self-study value than the 2011 Essential CPE Collection. This best-selling package returns this year for members with more courses than ever before, which means even more options for earning your CPE.

Once you have placed your order, a serial number and download instructions will be emailed to you. You can access your courses immediately! Download from home or office, at work or on vacation.

Plus, don't worry about law changes making your course material obsolete. You can access the latest updates to any course – instantly! Any time we make an update to one of the courses on the Collection, details will be posted on our website, and you have the option to download the new, most current version of the course. So you can stay current throughout the full year of your subscription!

Your subscription includes:

- A full year's access to 59 courses from 2 to 16 credit hours each -- including **20 NEW** courses
- Automatic updates *as they happen* to all courses on the package
- Convenient online download format for all courses
- Instant grading and certificates for all CPE exams
- Printable reference copies of all final exams

Only \$219.95 for instant access to over 200 hours of CPE! Order today!

Your Collection includes all of the following (NEW courses in italics):
