

Going Digital is... ...Going Green

Going Digital is...

- Functional
- Accessible
- Interactive
- Efficient
- Smart
- Responsible

...Going Green

In 2010, the GSCPA is taking a technological step and going digital! Some of the publications you will find digitally include:

- *Current Accounts*
- *Credits*
- *CPE Catalog*
- Conference Brochures

With this integrated approach, you are one click away from online registration, email addresses and web sites.

The GSCPA needs your email address:

Update your personal information online under the "My Membership" tab at www.gscpa.org.

To view a digital demo of the January/February issue of *Current Accounts*, go to www.gscpa.org and click on the *Current Accounts* thumbnail on the homepage.
