

**Catch Me if You Can**  
**Frank Abagnale, Abagnale and Associates, Washington, D.C.**

Frank W. Abagnale is one of the world's most respected authorities on the subjects of forgery, embezzlement and secure documents. For over thirty years he has lectured to and consulted with hundreds of financial institutions, corporations and government agencies around the world.

Mr. Abagnale has been associated with the FBI for over 35 years. He lectures extensively at the FBI Academy and for the field offices of the Federal Bureau of Investigation. More than 14,000 financial institutions, corporations and law enforcement agencies use his fraud prevention programs. In 1998, he was selected as a distinguished member of "Pinnacle 400" by CNN Financial News. Today Mr. Abagnale is a member of the Board of Editors for Bank Fraud and IT Security, as well as the Financial Fraud Law Report.

Today the majority of Mr. Abagnale's work is for the U. S. government. His company does not sell products or provide services, with the exception of his public speaking engagements.

Mr. Abagnale neither grants media interviews nor comments on ongoing criminal investigations.

Mr. Abagnale believes that because punishment for fraud and recovery of stolen funds are so rare, prevention is the only viable course of action.

## Accomplishments

Standard Register Company--since the early 1980s worked with and developed security features used on car titles, birth certificates, doctors' prescription pads, negotiable instruments, packaging and luxury items.

Novell--helped develop identity management software used by thousands of corporations, governments and financial institutions.

Affinion Group—helped develop PrivacyGuard, a credit monitoring service now used by over 6 million Americans, as well as in Canada and the United Kingdom.

ADP—designed their current payroll check issued more than 800 million times a year for the payrolls of thousands of corporations.

First Data Corp (FDC)—designed the Integrated Payment Systems (IPS) Check currently the official bank check of over 3,000 financial institutions.

Safechecks, Inc.—designed the SuperCheck and SuperBusiness Check considered to be the most secure checks in the world and used by thousands of municipalities, mortgage companies, title and escrow offices, and corporations.

Appleton Papers—designed the Frank W. Abagnale signature watermark paper. One of the most secure papers in the world with numerous security features built into the paper stock and distributed exclusively by Standard Register Company, USA.

Audemars Piguet—designed the anti-counterfeiting technology incorporated in one of the world's most luxurious watches.

Leigh-Mardon (Australia)—one of the world's most sophisticated secure document printers and manufacturer of credit cards and smart cards. Helped design the Australian passport, Australian postal money order and numerous official international bank checks.

The 41st Parameter—partnered with and help develop ImageMask—software that digitally blocks information on checks and documents from being seen online. This technology is used by some of the nation's largest banks.

Staples, Inc.—partnered with the world's largest office supply store bringing security products and solutions to their consumer and business customers.

Sanford uni-ball—helped develop the uni-ball 207 writing instrument. The only pen in the world that cannot be altered by chemicals or solvents. Over 20 million sold annually in the United States alone.

In the past 31 years Mr. Abagnale has worked with 65% of the Fortune 500 Companies in America.

Author of three books on white collar crime and identity theft—"The Art of the Steal", "The Real U Guide to Identity Theft", and "Stealing Your Life"

Designed SecurZ secure number font used by thousands of corporations, government agencies and financial institutions to secure the written and dollar amounts on negotiable instruments. [Click here to see image.](#)

*"I did not make this film about Frank Abagnale because of what he did . . . but because of what he has done with his life the past 30 years."*

Steven Spielberg
