TEAM STREAM ATTENDANCE LOG FOR GROUP VIEWING

To receive CPE credit for "live" internet presentations attended by individuals with a shared login (attendees not directly logged in), the proctor must complete the form below and submit to the GSCPA upon completion of the live stream. The proctor is responsible for hitting the checkpoints throughout the live stream to earn CPE credit for the group. Upon verification that the CPE attendance standards have been met, we will issue CPE certificates of attendance to all attendees via the GSCPA Online Learning Center.

Please e-mail the completed form to cpe@gscpa.org or fax to 404-237-1291. Contact the CPE Department at 404-231-8676 if you have any questions.
