President's Message

Dear Members,

By the time you read this message, children in several surrounding counties will be back at school, and many of us will be contemplating football, and other fall activities. However, due to our local weather patterns, we seem to be stuck in the hottest time of the year. Join us at this month's Savannah Chapter meeting for a hot lunch and some cool networking opportunities.

As most of you know, last month was Nina Daigle's last meeting with us, as she has relocated to the Athens, Georgia area. She intends to remain active with the GSCPA, so I am sure we will see her at statewide events in the future, but we will miss her at Savannah Chapter events. Nina had just begun the year as vice president, and we are sad that she will not be here to assume the presidency next year. We wish her all the best in her future endeavors.

The Executive Committee has found a great successor for the office of president elect. We will present our candidate at the August meeting for chapter approval. I know that she can count on your support.

We will be, again, soliciting volunteers for committee activities so please consider pitching in.

For the last few months, several attendees have been late with their reservations. While we want to accommodate as many interested professionals as possible at our meetings, this has created a problem with our venue. When we turn our count in to the facility, they assign us a room based on the number of attendees we expect. When we add to that number to our expected attendance after our deadline, the room assignment can not usually be changed, and we must add additional place settings to the tables already set. This makes for cramped quarters for all attendees.

Please RSVP by the end of the day on Thursday, August 14, 2008. If you must make a last minute change, we will do our best to accommodate you.

Best Regards,
Lisa Conti-Bacon, CPA
Savannah Chapter President
