President's Message

Our recent meetings have been well attended and we thank you for your support. Our October meeting is our annual special event. The proceeds from this event fund our scholarships for local accounting students so please attend and bring a colleague. This meeting is open to all interested professionals.

We are still seeking a vice president for the Savannah Chapter to serve out the rest of this year. He or she will also be asked to serve next year as president-elect and subsequently serve as president. Please support your profession by considering serving your chapter in this capacity. Contact any chapter officer for more information or to volunteer.

Junior Achievement in connection with the GSCPA's Financial Literacy Committee is set to begin the Economics for Success program at Coastal Middle School. Be a hero and volunteer. You'll be glad you did. Contact [Leslie Scott](#) for more information.

Sincerely,

Lisa Conti-Bacon
Savannah Chapter President
