President's Message

Summer is in full swing, and we are busy working on the 2009-2010 schedule! We are considering some different locations for our meetings, as well as speakers who are helpful in our practices and our everyday lives, in hopes of more member involvement. I personally thank those of you who participated in our survey in June.

Our Vice President, Bruce Wood, recently went to the GSCPA Annual Convention in Amelia Island, FL. Topics covered included dealing with tax updates, government oversight, prevention of financial statement fraud, IFRS conversion, and other issues facing our profession. These issues, along with the chapter survey results mentioned above, are shaping our choices of speakers and topics, with the goal being delivery of an interesting, useful, and fun year of professional topics and events for our members.

Our August Speaker is Temp Davis IV, MBA, CFS, CCPS, with Hinchey & Associates Financial Services. Temp will speak on College Funding. This presentation is very timely and features college selection, admissions, financial aid, and other funding strategies, including "Tax Scholarships". See meeting details below.

Please attend our August meeting, as we will be giving away gift certificates and tickets to Braves and Thrashers games.

We look forward to seeing you there!

Rich Hlozek
Chapter President
