Chapter News

We recently met with Colonel Decknick from Moody Air Force Base and provided him with the phone cards purchased during our 2006-2007 annual giving campaign. Thanks to everyone's efforts, we were able to purchase 200 cards to be distributed to our local airmen serving in Iraq. Josie Miller and Ginger Keesling, we appreciate your hard work in making this campaign such a success.

All members should have received an email from Jennifer Poff concerning the Leadership Academy's Bridge to Success program. We would like to assist them in making this project a success. Please see an officer if you are interested in participating.

We are in need of several members to serve on the Community Relations Committee. This committee will coordinate our annual giving campaign and assist with the Bridge to Success program.
