

GSCPA Task Forces

GSCPA task forces consist of volunteers who assist the Society with a variety of events and activities targeted toward specific individuals. Members interested in serving on task forces can elect to do so by indicating their preference on the Volunteer Profile Form.

College Outreach Task Force – The College Outreach Task Force is responsible for developing and implementing programs that help promote both the accounting profession and CPA credential to college students. These include, but are not limited to the Campus Representative Program and the College2Career Conference that is held in the Fall.

CPE Curriculum Task Force – The CPE Curriculum Task Force makes suggestions and assists in narrowing down which courses and topics would be the best fit for fellow members and CPAs in Georgia.

Financial Literacy Task Force – The Financial Literacy Task Force identifies, aggregates and provides resources on all matters relating to financial literacy. It also provides educational materials on financial literacy and spearheads GSCPA's highly successful volunteer program, Millennial Money.

Minority Issues Task Force – The Minority Issues Task Force encourages and supports minority accounting students and recent graduates in pursuing a career in accounting and obtaining the CPA credential.
